### Where am I covered?

- ✓ You and any named drivers are covered in the UK, Channel Islands and Isle of Man. You and any named drivers are also covered to drive in the European Union for up to 90 days.

### What are my obligations?

- You must inform us without delay of any changes in your situation, including any named drivers. In the event of a claim, you must notify us as soon as possible.
- It's really important that you're honest with us when you're buying a policy or making a claim. Providing wrong or misleading information that you know could either help you gain financially, or us suffer a financial loss, is fraud and pushes up the cost of insurance for all customers.
- Looking after the car - you need to make sure that the car is road worthy and safe to drive at all times. You must protect the car and its accessories from being stolen or damaged.
- You must upload any requested vehicle, licence and driver documents within 28 days of the policy starting.
- You and any named drivers must ensure that the telematics application is in use at all times whilst driving the car from the start of each journey.

### When and how do I pay?

Please refer to your insurance adviser for details.

### When does the cover start and end?

Please check your most recent schedule for your cover start and end date.

### How do I cancel the contract?

You're able to cancel your policy at any time. To do so, you need to get in contact with the insurance adviser who sold you the policy. Your adviser may charge you for this, on top of our £7.50 administration charge (plus insurance premium tax where applicable).

How much money you get back will depend on how long you've had the policy for, and whether a claim has been or may be made.

#### Cancelling before the policy starts

If cover has not yet started, we will refund any premium paid in full.

#### Cancelling after the start of the policy

If you cancel after the start date of your policy, we'll refund you for the time that is left on the policy, minus our £7.50 administration charge (plus insurance premium tax, where applicable), providing a claim has not been or may be made. If you've made a claim while your policy was in force, or something has happened which might lead to a claim - then you won't receive any refund.
