## Breakdown or is involved in a road traffic collision on a motorway in France or Mainland Europe

Motorways in France and many other European countries are privately managed. If the **vehicle breaks down** or is involved in a **road traffic collision** on a French motorway, motorway service area, or other European private motorway, **you** must use the roadside emergency telephones as **we** cannot send assistance. If the **vehicle** is recovered by the police or authorised motorway services, **you** may have to pay labour and towing charges on the spot and a standard tariff is normally applied.

**We** will **reimburse** these charges as long as the **vehicle** is towed to the recovery company's depot. This may also apply to other roads, so **we** recommend **you** use the emergency phones where available. If they will not send a breakdown recovery vehicle, **you** should contact **us**.

2. **You** must request services directly from **us**, as **we** will only provide cover if **we** make arrangements to help **you**.
3. Where the **breakdown** is caused by a component failure this must stop the **vehicle** from working, so for example an air-conditioning failure in itself does not constitute a **breakdown**, and the illumination of a warning light does not always constitute a **breakdown**. If it does not, **you** will need to take the **vehicle** to a place of repair and **your RAC Breakdown Cover** will not cover this.
4. **We** will not cover any **claim** where the **vehicle** is already at a garage or other place of repair.
5. Where **we** deem, acting reasonably, that **you** requested service to avoid the cost of repairing the **vehicle**, or to correct an attempted repair by someone else, **we** will not provide cover.
6. A **driver** must be with the **vehicle** when **we** attend.
7. **We** will not be responsible for any loss of or damage to the contents of the **vehicle**.
8. Where **we** recover **passengers** under the age of 16, they must be accompanied by an adult.
9. **We** will not allow animals in **our** vehicles, except guide dogs. Any animals can remain in the **vehicle** at the **driver's** own risk. **We** will not be liable for any injury to animals, or damage caused by them. **We** will not transport any livestock. **We** will not be responsible for any costs relating to animals.
10. The **vehicle** must not carry more passengers than the number stated in the **vehicle's** registration document. Each **passenger** must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat, where required.
11. Where **we** provide a repair to the **vehicle**, whilst **we** are responsible for that repair, this does not mean that **we** are confirming the legal and roadworthy condition of the **vehicle**. This remains **your** responsibility.
12. **We** will not be responsible for any losses that may incur following a **breakdown** that are not expressly covered by this **RAC Breakdown Cover**. For example, **we** will not pay for any loss of earnings or missed appointments.
13. **We** do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst **we** will try to check that the garage will undertake the type of repairs required, **we** cannot guarantee this. **We** will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between **you** and the garage / repairer.
14. During extreme weather, riots, war, civil unrest, industrial disputes, **our** services can be interrupted. **We** will resume **our** service to **you** as soon as **we** can in these circumstances.
15. The cost of the following is not covered by this **RAC Breakdown Cover**:
  - a) ferry charges for the **vehicle** and **our** vehicle;
  - b) spare tyres and wheels and repairing or sourcing them; or
  - c) recovery by someone other than **us** even if this is requested by the emergency services. **We** will only provide recovery once instructed to do so by the emergency services.
16. In handling any **claim** there may be more than one option available to the **driver** under this **RAC Breakdown Cover**. **We** will decide which is the most appropriate option based on **our** expertise in **breakdown** situations. In doing so **we** will act in consultation with the **driver**, and act reasonably at all times.

17. This **RAC Breakdown Cover** does not cover:
- routine servicing, maintenance or assembly of the **vehicle**;
  - caravan** or **trailers**, except as described under Section A;
  - use of the **vehicle** for public or private hire, carriage of goods for hire and reward, demonstration purposes or carrying trade plates;
  - breakdowns** resulting from activities that are not subject to the normal rules of the road for example rallies, stock car racing, use of the Nürburgring or other formal or informal race events
  - breakdowns** that occur or recovery of the vehicle that to a destination that is off the public highway to which the **driver** or **we** have no legal access;
  - the **vehicle** if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;
  - vehicles** that are not in a roadworthy condition. If **we** consider, acting reasonably, that the **vehicle** is not in a legal or roadworthy condition, **we** can refuse to provide service. If **you** can demonstrate that the **vehicle** is roadworthy **we** will provide service;
  - any **claim** that is or may be affected by the influence of alcohol or drugs;
  - any **breakdown** that is caused by or as a result of **vehicle** theft or fire;
  - vehicle** storage charges. If the **vehicle** is being stored, **you** will be contacted at **your** last known address with details of how to arrange collection and any fees which may be payable. In extreme instances, where the **vehicle** has not been collected and fees not paid, the **vehicle** may be disposed of and any outstanding fees will be deducted. **You** will be notified, in accordance with legislation, prior to this happening; or
  - any **claim** under this **RAC Breakdown Cover** where the **breakdown** was first reported to **us** under a different policy.
18. If the **driver** is asked to review and approve a document recording the condition of the **vehicle**, including an electronic form, it is **their** responsibility to ensure that the record is accurate and complete, and **we** will not be responsible for any errors or omissions.

## Additional benefits

The following are provided at no additional charge:

### Driver-induced faults

If the **vehicle** cannot be driven for any reason other than a **breakdown**, for example if the vehicle has broken or cracked glass, the **vehicle** keys are broken or lost or there has been a **driver** induced fault, **we** will send help to the **vehicle**. If **we** cannot get the **vehicle** going again, **we** will recover the **vehicle**, the **driver** and **passengers** up to 10 miles. Any **specialist equipment** required by **us** to repair or arrange recovery of the **vehicle** will be chargeable. This service is discretionary, and **we** will decide whether or not to provide this service.

### Caravan and trailers

If a **caravan** or **trailer breaks down** within the **UK**, **we** will send help to repair the **caravan** or **trailer** at the roadside. This could be a permanent or temporary repair. **We** will not provide any other cover under this **RAC Breakdown Cover** if a **caravan** or **trailer breaks down**. However if a **vehicle breaks down** and there is a **caravan** or **trailer** attached to it **we** will recover the **caravan** or **trailer** as well.

### Service in the Republic of Ireland

If the **vehicle** has **broken-down** in the Republic of Ireland, **we** will provide a Roadside attendance service only, as described under Section A (Roadside). If **your home** address is in Northern Ireland and **you** have purchased Section C (Recovery), **we** will recover the **vehicle** to **your home**, or to another destination in Northern Ireland if the distance is less.

### Urgent message relay

If the **vehicle** has **broken-down** and the **driver** needs to get in touch with friends and family urgently, **we** will get a message to them.

### Replacement driver

If the **driver** becomes ill or is injured during a journey in the **UK** and no one within the party can drive the **vehicle**, **we** may be able to provide a replacement driver. This service is discretionary, and **we** will decide whether or not to provide this service.

### Additional services

**We** can provide additional services that are not included in **your RAC Breakdown Cover** but **we** will charge **you** for these, for example to:

- Purchase the parts **you** need to get on **your** way;
- Pay for **specialist equipment** to complete the repairs;
- Extend the hire time for a replacement car; or
- Arrange a second or extended recovery.

If **you** need extra help, **we** will agree the costs up front and will need full payment before **we** can help. If **you** took out the **RAC Breakdown Cover**, **you** will be responsible for any additional charges so if **we** help someone under **your RAC Breakdown Cover** and they cannot pay, **we** will invoice **you**. This is why **we** request proof of identity at the **breakdown**.
