Cancellation rights

We hope you are happy with the cover this policy provides. However, you have the right to cancel it within 14 days of receiving the policy or from the start date of your policy, whichever is latest, without giving any reasons by providing confirmation to your insurance adviser and cancellation can take effect immediately or from a later date, although it cannot be backdated to any earlier date. If that happens, we will charge you pro rata, subject to a minimum fee of £25 + Insurance Premium Tax, for the cover provided from the beginning of the contract until the policy is cancelled unless we are required to make a total loss payment under the policy, under which circumstances a refund of the premium is not payable.

You may cancel this insurance outside of the 14-day period by providing confirmation to your insurance adviser and cancellation can take effect immediately or from a later date, although it cannot be backdated to any earlier date. We will work out the refund on a pro rata basis less an additional charge of £25 + Insurance Premium Tax to cover our administration costs. If you cancel your policy following a claim there will be no refund of premium.

Changes which may affect your cover

You must tell your insurance adviser as soon as possible if any of the details on your proposal form or statement of fact change and you should contact your insurance adviser for advice if you are not sure whether a change will affect your cover.

If you do not tell your insurance adviser of a change we will be entitled to do one or both of the following:

- Reject or reduce payment of your claim.
- Cancel the policy and/or treat it as though it never existed.

When you advise of any permanent or temporary changes to your policy during the period of insurance which we agree to, or request duplicate documents, a premium adjustment charge of £10 + Insurance Premium Tax will be made in addition to any other change in premium to cover our administration costs. This charge is in addition to any administration fees charged by your intermediary.

If your change of circumstances means that we can no longer provide cover, we or our authorised agent will give you notice of cancellation in accordance with the Cancelling your Policy (Outside the Cooling-off Cancellation Right) section of your motor insurance policy.

Telematic Devices and Data

If your premium is based upon a telematics device being fitted to, or installed in, the vehicle, or for you registering and using any smartphone application provided to you, to monitor the driving behaviours of any authorised driver, failure to comply with your insurance adviser's terms or conditions relating to the telematics device may result in us, or our authorised agent, invoking our right to cancel your insurance policy in accordance with the Cancelling Your Policy (Outside the Cooling-off Cancellation Right) section of your motor insurance policy.

Any personal data we receive will be used by us to help determine your future insurance premiums, to detect and prevent fraud and in accordance with our How we use your personal information notice under the Data Protection Notice and may also be used in the assessment of liability in the event of a claim.
